Dear Friends of FFMIA:

We are excited to announce a merger of the Florida Association of Fire and Life Safety Educators (FAFLSE) and the Florida Association of Fire and Explosion Investigators (FFEIA) conferences, bringing together a dynamic and diverse group of fire service professionals to one location.

Please make plans to join us June 20-23rd, 2017 for the 29th Annual Florida Association of Fire and Life Safety Educators and 72nd Annual Florida Arson Seminar, sponsored by the Florida Association of Fire and Explosion Investigators. The joint conference will be held at the Lake Buena Vista Wyndham, located just outside the main entrance to Disney Springs.

Along with this new venture is an opportunity for you, our vendors, sponsors, and supporters, to share one-on-one with attendees during our vendor showcase, as well as attend our annual bar-b-que and live auction which raises scholarship funds for future first time attendees. This event will be attended by fire and explosion investigation professionals, public educators, and fire inspector professionals from across the State of Florida, and other invitees from all over the southeast.

We are asking for your help in the form of auction items, program advertisement, or joining us as sponsors and/or vendors during our 3 ½ day event. Your support will help to defray some of the expenses involved in funding this worthwhile educational program. If you are able to assist in any way, please fill out the attached form and forward it to our office at your earliest convenience.
