FAFLSE and FFEIA 2018 Joint Conference

June 19-22
Wyndham Lake Buena Vista – Walt Disney World
1850 Hotel Plaza Boulevard
Lake Buena Vista, FL

“Peace of Mind”
Conference Program
Greetings Conference Attendees:

On behalf of Florida's State Fire Marshal and Chief Financial Officer, Jimmy Patronis, members of the Division of State Fire Marshal (DSFM) and the Division of Investigative and Forensic Services (DIFS), We welcome you to the 30th Anniversary of the Florida Association of Fire and Life Safety Educators in conjunction with the Florida Fire Explosion and Investigators Association Joint Conference. It is an honor and pleasure to be a part of this great event.

You will find the agenda is full of the most important topics relevant to current and future fire prevention professionals. The program has been created to ensure you will be better prepared to carry out the critical mission of protecting Florida’s citizens and visitors.

The DSFM and the DIFS stand ready to assist our fire service community. We encourage you to learn more about these Divisions and other services we offer by going to our website at www.MyFloridaCFO.com.

Congratulations to the sponsors on another successful conference, making Florida a leader in fire prevention and ensuring all who live within or visit our great state can feel safe and sleep with a "Peace of Mind".

Enjoy your conference!

Respectfully,

Julius Halas, Division Director State Fire Marshal

Simon Blank, Division Director Investigative and Forensic Services
June 19, 2018

Dear Conference Attendees

On behalf of the Board of Directors of the Florida Fire Marshal’s and Inspectors Association, welcome to the joint conference of the Florida Association of Fire and Life Safety Educators and the Florida Fire and Explosion Investigators.

We look forward to an exciting week of great classes, activities and networking opportunities! This year’s theme hits home with “Peace of Mind” and will address several areas of concern in our field today including PTSD, cancer awareness, school safety and home fire sprinklers. As you will notice, fire sprinklers were incorporated into this year’s logo and a portion of the program will focus on how they can provide that “peace” from fire in the home. As educators and investigators it’s important to know and understand the role home fire sprinklers play in preventing the spread of a fire and in preventing home fire deaths. It is also our duty as fire service members to educate the public on the life-saving benefits of home fire sprinklers. Throughout the conference there will be discussions, live fire demonstrations and a closing ceremony centered on sprinklers; providing you with all the information you need to get a sprinkler educational program started for your community.

I would like to congratulate the FAFLSE section on reaching their 30th year milestone and extend a big thank you to all the folks who worked hard to bring us a conference full of great opportunities. A lot of time and work goes into putting these together and your efforts are greatly appreciated. I would also like to say thanks to all of you for being here with us; conferences are simply not possible without YOU the attendees and sponsors! Thank you for your time and commitment this week and throughout the years. Your partnership and dedication to making Florida a fire safe state is what makes our organization work and grow.

We hope that you enjoy the conference, visit our sponsor booths, make some new friends, and share what you learned with your department and in your community.

Sincerely,

Wendy K. Niles
President
From: FAFLSE Chair Barbara Weyel  
FFEIA Chair Brandon Ball

Welcome to the 2018 Joint Conference of the, 30th Annual Public Educators Conference, and the 73rd Annual Florida Fire and Explosion Investigators Conference. The Florida Association of Fire and Life Safety Educators (FAFLSE) and Florida Fire and Explosion Investigators Association (FFEIA), Boards hope to mark this year as a special event, and to give you the opportunity to not only challenge yourself, but to rekindle old relationships and build new ones with educators, investigators, inspectors and other officials from across the great state of Florida.

Our boards and task force personnel will be available to you throughout the conference. The theme this year is “Peace of Mind” relating to fire sprinklers.

Stop by the vendors showcase to show your support. We appreciate them coming each year to provide you with the latest items from their companies and the most updated technology. You will find exciting and maybe some unexpected classes this year, so enjoy the conference, network with others and hopefully you will bring some new ideas back to your community.

2018 is an election year for the FAFLSE Board. Ballots will be available on Wednesday, June 20th from 8am-5pm. All those that are registered as a FAFLSE member will be able to vote.

Don’t forget to attend the BBQ and auction on Tuesday evening. All auction monies provide scholarships for first time attendees and future conference activities. We welcome all of you to participate and share an exciting evening with us. There will be a get-together on Wednesday night with a 70s theme to tie into the “Peace of Mind” theme. Thursday night is open for everyone to enjoy the parks and socialize on your own.

We are looking forward to meeting you all and hope you enjoy the classes and festivities.

Sincerely,

Barbara Weyel  
FAFLSE Chair

Brandon Ball  
FFEIA Chair

FFMIA typically receives several requests for information regarding what is considered the appropriate attire during this event. Here is a quick guide:

- Recommended attire for the training sessions and membership meetings is business casual.
- Recommended attire for the Opening Ceremonies, is a Uniform, Business or Formal.
- The nightly events for this year are a 60 and 70s theme, so appropriate era attire is appreciated for both.
FFMIA Would like to take this opportunity to thank our premier members, conference sponsors and exhibitors.
